Dear Bill:

I called you as soon as the team got in, but you had evidently gone. Well here is the story.

The Yankees are scheduled here in Newark Aug. 23rd. Now the man in Hartford wants The Eagles and The Yankees to play a doubleheader there if possible. If the park is available we could go there the 24th or 26th, and The Eagles could go to Albany the 25th. However Abe said he wants \$200.00 flat.

You asked me to hold the 5th for you. Gottlieb is sending Cincinatti to Chester that day. Did you get anything for us? I guess not as we would have heard something by this time.

Please let me hear from you about the Hartford game as soon as possible, because if these dates cant be worked out maybe we can get some others.

About East Orange it looks like we may not have a chance to go there anymore this year. If we play Aug. 30th anywhere near here we could make it, but I couldnt say until I see where we will be that day.

Very Truly Yours
